## STUDY WITH QUALITAS

The Qualitas BTEC Level 3 Extended Diploma in Sport (Football Education Programme) is a two-year course suitable for post-16 male students of all playing abilities who have a keen interest in developing an insight into the sport industry.

Based at Graves Leisure students will study in purpose-built classrooms and facilities, creating a perfect learning environment to thrive within.

Alongside the academic studies, where 15 sports related units will be covered, students will train and play on a weekly basis, representing Qualitas in the Regional College League & against Academy professional clubs in friendly fixtures, aiding the courses uniqueness.

Qualitas are passionate about enhancing students' employability skills, which is why students have access to work experience within Qualitas.

These opportunities include **Participating and leading over 50 sporting events across 20 different sports, ranging from football and netball to water polo and fencing.**

## ABOUT THE COURSE

### **BTEC Level 3 National Extended Diploma in Sports Coaching and Development**

This qualification is intended as a 2 year programme for post 16 students. It is equivalent to up to 3 A Levels and is intended for those wanting to progress directly into employment as a coach. In addition, the breadth of content in this qualification allows learners to progress to a large variety of Higher Education and Degree level courses.

#### **Opportunities:**

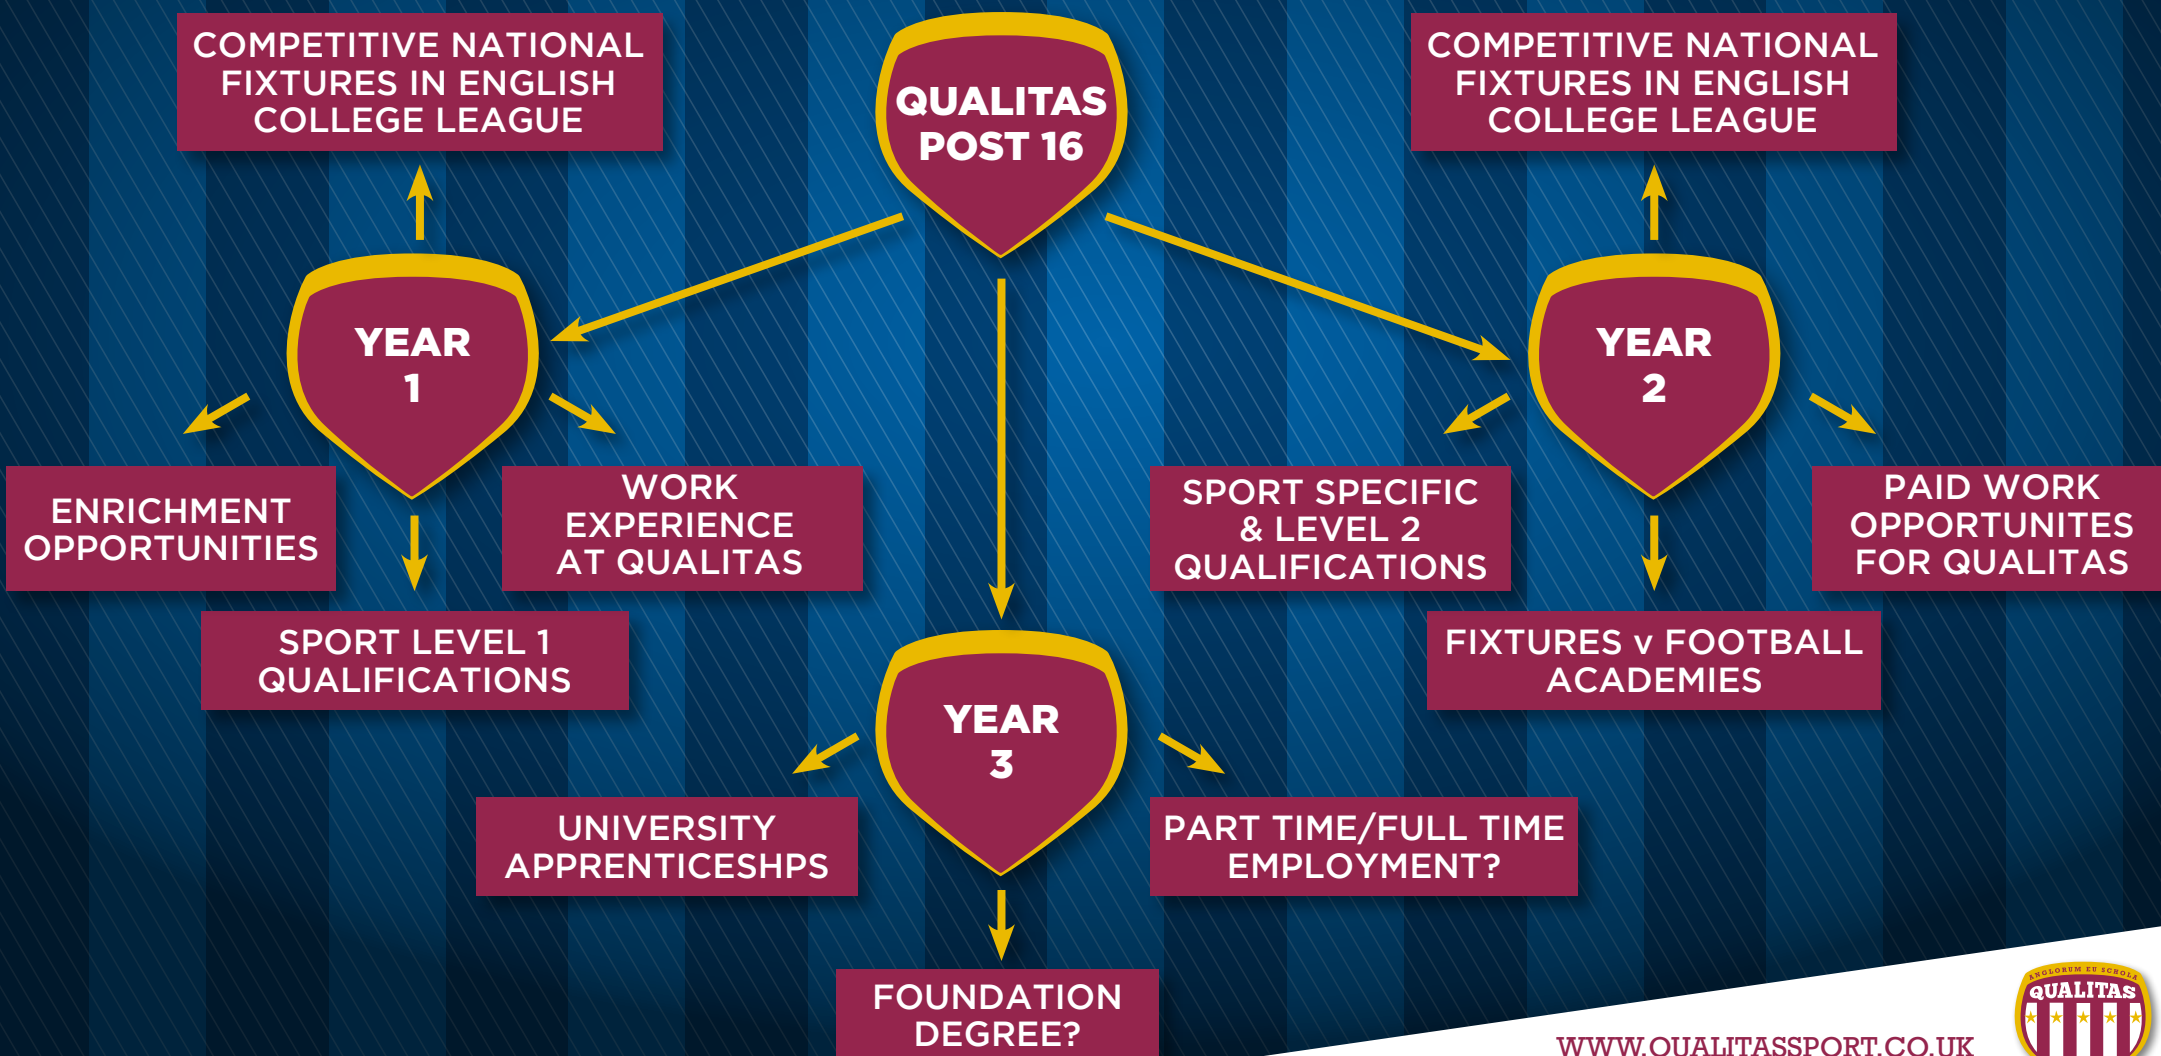

-  Health, Well-being & Sport
-  Applied Coaching Skills
-  Sport Development
-  Sports Psychology
-  Self-employment in Sport
-  Nutrition for Physical Performance
-  Practical Sports
-  Marketing Communications

**Course Structure:** A typical week for a Level 3 student is made up of 12-15 hours of study, with the rest of the time dedicated to work experience and football training. Learners work alongside highly trained staff to gain relevant experience of sports coaching and PE delivery.

**Progression:** A substantial number of students progress to university each year. Popular undergraduate courses include Sports Science, Sports Development, PE Teaching and Sports Psychology, as well as Business and Management programmes. Other learners progress to full time work or on to an apprenticeship.
